Upon acceptance of quote (signed copy of this bid sheet returned to WBC Building Components) your order will be entered into the WBC schedule for production. It is the responsibility of the contractor/customer and/or Engineer to verify all dimensions, appropriate loading, and profiles of supplied products. Customer to provide requested delivery date, and after WBC has scheduled the project for production, the customer/contractor will be notified of an estimated delivery date. Requested date will not be construed as actual delivery date without confirmation from WBC. The contractor/customer is responsible to notify WBC Building Components of any and all plan changes or updates affecting supplied product for the project. Any changes made after the acceptance of the initial quote may adjust production date, delivery, and price accordingly. Changes made after product has been cut or built will also adjust delivery and pricing. This contract may be terminated at the option of WBC for any reason. **NO BACK-CHARGES WILL BE ACCEPTED WITHOUT PRIOR APPROVAL FROM WBC BUILDING COMPONENTS. NO VERBAL AGREEMENTS WILL BE HONORED.** Do not cut or alter trusses without prior approval from WBC Building Components. If product is not delivered within 60 days of signing of contract WBC has the option to reprice at current lumber market value. Quote good for 5 days from dated contract.
